I represent *Animal World*, a pet shop based in Dubai (address: Jumeirah1, P.O.Box.: 11664, Dubai, United Arab Emirates),

We have been in a business relationship for more than 8 years with biologist and dog expert Dr. Michl Gábor, PhD.

Over that period we have purchased puppies on a regular basis from Dr. Michl.

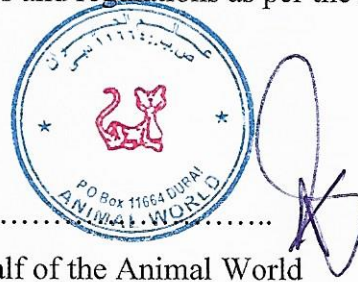

Dr. Michl is an excellent dog expert and during our years of cooperation, he has selected more than 300 puppies that *Animal World* has purchased and managed to successfully sell to the demanding Dubai clientele.

As per our mutual agreement *Animal World* transferred the purchase price for all the puppies in advance and Dr. Michl never failed to ship them timeously.

Without fail, the puppies always arrived in a healthy condition and their documents (health certificate, EU Pet Passport etc.) were completed precisely and without error.

Dr. Michl always abided by the export-import rules and regulations as per the requirements of the country of origin.
